GUIDE: (This section will not be included on the exam paper. It is for informational purposes.)

- 1) As many questions as necessary can be added.
- 2) Each question must be associated with the relevant course learning outcome. (This question-course learning outcome relationship will only be written in the report to be prepared by the instructor at the end of the semester and sent to the department head. Course learning outcomes have been filled out by the instructor of each course in the Course Bologna Information Package. If there are any deficiencies or inaccuracies in the Bologna Information Package, please update them in the ÜBYS system.)
- 3) The point value of each question must be stated.
- 4) In the evaluation of the multiple-choice exam, the Zipgrade application recommended in the Training of Trainers program can be used. If the Zipgrade application is to be used, it allows asking 20, 50, or 100 questions. In addition, the Zipgrade optical form is located above. If a different evaluation method is adopted, the optical form above can be removed.
