#### **B1+ SEVİYE TOPLANTISI-4**

The event was a success and gave students something fun to experience. However, our group was not that engaged or motivated- could be because of the country they picked.

### 4. EVALUATION OF THE REVIEW AND REINFORCEMENT WEEK'S EXTRA MATERIALS

Went well. We were able to incorporate more activities in addition to the provided materials.

#### 5. FURTHER SUGGESTIONS

- \*In light of the students feedback, we could do more presentations that are not graded. Maybe group presentations.
- \* It has been noticed that the text book lacks listening activies so maybe we could incorporate additional listening activies possibly use Skillful (text book used last year)
